COWGIRLS SET THEIR SIGHTS ON THE NATIONAL CHAMPIONSHIP

Oklahoma State enters the 2020-21 season looking to reclaim the Big 12 title after coming up short in 2019, and the 2020 season being canceled due to the Covid-19 Pandemic. This year's roster is poised to go toe-to-toe with the best teams in the country and take home the program's first overall NCEA championship.

The Cowgirls return three All-Americans from the 2019-20 season and a team that posted an 9-3 overall record. OSU head coach Larry Sanchez has also added some impressive new riders.

Senior Harley Huff was the Horsemanship Rider of the Year in 2019-20. The team also returns two honorable mention NCEA All-Americans, junior Abigail Brayman and sophomore Sydney North.

The Cowgirls bring in eleven new riders to this season's team. Ten are freshman and one is a transfer.

The fall season was canceled so the Cowgirls will open the season at home in January against SMU.

Non-conference opponents making the trip to Stillwater includes only SMU.

OSU will venture on a trip to Texas to take on conference opponents Fresno State, TCU and Baylor. The Cowgirls will travel to Martin, Tennessee to face UT Martin and Sweet Briar.

OSU closes out the 2020-21 regular season against Baylor March 6 at home.

The Big 12 tournament will be held in Waco, Texas March 26-27.

The NCEA National Championships will be held in Waco, Texas, April 14-17.

Staff

Larry Sanchez is in his 22nd season at the helm of the Oklahoma State Equestrian program. Sanchez has led the Cowgirls to six national championships and six Big 12 titles.

**HEAD COACH | 22ND SEASON
NEW MEXICO STATE**

Leading the Oklahoma State Equestrian program is head coach Larry Sanchez for his 22nd season. Last year was cut short due to the Covid-19 Pandemic, with the Cowgirls going 9-3 on the year.

Under the guidance of Sanchez, Oklahoma State Equestrian has made its presence known at the NCEA National Championships every year, winning titles in 2000, 2003, 2004, 2005, 2006 and 2013. Sanchez also led the Cowgirls to Big 12 Championships in the 2009, 2012, 2013, 2014, 2016 and 2018 seasons.

In 2014, Sanchez added another impressive accomplishment to his resume, becoming the first coach in Big 12 Equestrian history to lead his team to three consecutive Big 12 Championships.

As one of the most respected and successful equestrian coaches in the country, Sanchez has been essential in the sport's move toward varsity recognition.

A native of Colorado, Sanchez began his intercollegiate coaching career at New Mexico State in 1993 and quickly organized one of the nation's top programs in the IHSA. Under his leadership, NMSU won national titles in 1995, 1997 and 1998.

Sanchez moved to Stillwater to launch Oklahoma State's team in 1999. In his 22-year coaching career at OSU, 14 of his qualifying teams have placed in the top four at the national level. Additionally, he has coached an impressive 23 riders to individual national championships and 13 riders to reserve championships.

During his years leading the Oklahoma State program, Sanchez has earned his share of individual coaching accolades.

In 2013, he earned both NCEA and Big 12 Conference Coach of the Year honors after leading the Cowgirls to their third Big 12 Championship and third NCEA Western National Championship.

During his time at Oklahoma State, Sanchez has coached numerous All-America and All-Big 12 honorees. Since 2011, Stillwater has been home to 44 NCEA All-America selections and 36 All-Big 12 selections.

Under Sanchez's watch, nine Cowgirls have been named Big 12 Rider of the Year in their respective disciplines.

Sanchez's riders have found great success in the classroom as well. The program's emphasis on academic success is evident in the team's frequent appearances on Big 12 and NCEA honor rolls. In the last seven years, the Cowgirls have earned 132 selections to Academic All-Big 12 teams.

Coach Sanchez completed the coursework for his M.A. in agricultural education at NMSU and received his B.S. in equine science from Colorado State. He is a carded judge, breeder and competitor within the American Quarter Horse Association.

Larry and his wife, Julie, who is a registered nurse, have two children. Their son, Colton, is 24 years old, and their daughter, Caitlyn, is 22 years old.

The 2020-21 Cowgirl Equestrian schedule is highlighted by three home matches, including the home opener against SMU followed by three road Big 12 matches against Baylor, Fresno State and TCU.

THE BIG 12 CONFERENCE: A NATIONAL LEADER

The Big 12 is in its 25th year in 2020-21 as it continues to promote the strength and success of one of the nation's premier athletic conferences under the direction of seventh-year commissioner Bob Bowlsby.

TCU and West Virginia joined the league on July 1, 2012 and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 remains as the only autonomy conference to determine its champions in all sports directly on the field of play with a full round-robin schedule. The Conference's hard work ethic and strong values have translated to enormous success in its first 22 years. Since it began competition in 1996-97, the league can boast of 60 NCAA team titles and 654 individual national championships.

The Big 12 has been at the forefront in college athletics reform, specifically with student-athlete welfare issues to include cost of attendance, student-athlete time demands and strengthening its policy for concussion diagnosis and management. In 2014-15, the Big 12 introduced and hosted three "State of Collegiate Athletics" forums to examine the issues facing college athletics. Two were conducted in Washington, D.C and one in New York City. Panelists included respected authorities from intercollegiate athletics, university leadership and sports journalism. The third forum featured a special session comprised of student-athletes. The Big 12 has continued the "State of Collegiate Athletics" forums the past four seasons with Dallas serving as the host site for three events and one staged in Atlanta.

Big 12 Champions for Life, an initiative of the Big 12 Conference, will begin its fourth year in 2018-19. It

features student-athletes, selected by Conference institutions, in a series of public service announcements highlighting the positive impact an athletics scholarship has had on their lives leading to stories of personal growth and success.

The Big 12 was the only conference in 2017-18 that placed a team in the College Football Playoff (Oklahoma), Men's Final Four (Kansas), Men's College World Series (Texas and Texas Tech) and Women's College World Series (Oklahoma). National championships were won by Texas men's swimming & diving and Oklahoma State men's golf. UT's title was its fourth-consecutive while the Big 12 picked up its second straight men's golf crown with Oklahoma winning it in 2017. Of the eight teams that advanced to match play in the men's golf championship, half of the field represented the Big 12.

For the first time in Conference history, the Big 12 sent 90% of its men's basketball teams to postseason play with seven in the NCAA Division I Men's Basketball Championship and two in the National Invitation Tournament. The Big 12 is the first league since at least 1996-97 to accomplish this feat. The Conference's 70% participation in the NCAA Championship was the highest of all leagues.

The Big 12 led the nation in the fall of 2017 with 80% of its teams selected to bowl games highlighted by No. 2 Oklahoma competing in the CFP Semifinal at the Rose Bowl. The Big 12 had at least 80% of teams bowl eligible for the third time in Conference history (90% in 2010 and 80% in 2011). It marked just the 14th occasion since 1996 that an FBS league had at least 80% of teams with 6-plus wins. The Big 12 has made six appearances in a CFP News Year's Bowl in the four years of the structure.

Additionally, the Big 12 added its sixth Heisman Trophy winner since 1996 with Baker Mayfield (Oklahoma) taking home the 2017 award. The Conference has had a finalist in 14 of its seasons for a total of 19 with two finalists in five seasons. Thirty-eight major individual awards have been won by Big 12 student-athletes in football over the past nine campaigns. Overall, more than 4,800 student-athletes have earned All-America recognition.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Ty Darlington (Oklahoma) was the recipient of the 2015 William V. Campbell Trophy, known as the Academic Heisman. Gabe Ikard (Oklahoma) was presented the NCAA Today's Top 10 Award in January 2015. It recognizes former student-athletes for their successes on the fields and courts, in the classroom and in the community. Since 1996, the Big 12 has a total of 11 honorees for this prestigious award. In the last seven seasons, 14 student-athletes were recipients of the NCAA Elite 90 Award with Oklahoma State's Noah Gade (cross country), Oklahoma's Lily Miyazaki (women's tennis) and Baylor's Colin Kober (men's golf) picking up the most recent honors in 2017-18. The accolade showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has over 650 Academic All-America recipients, averaging about 30

THE BIG 12 CONFERENCE: A NATIONAL LEADER

each season. Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Thirteen times in the past 14 years a league athlete has garnered the top academic honor for their respective sport, including Jevon Carter (West Virginia) for men's basketball in 2017-18.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 421 scholars have received over \$3.1 million in postgraduate financial aid through the first 22 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 38 million people. Nearly 5,000 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference currently conducts postseason

championships for 21 of its 23 sports with the Football Championship Game returning in 2017 after a six-year absence. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition.

The Big 12 can take pride in other stories that combine on and off the field success. In the fall of 2013, former Texas Tech track and field student-athlete Ifeatu Okafor was named the Big 12's first NCAA Woman of the Year. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008 while Imani McGee-Stafford (Texas) was honored in 2015. It is given to an outstanding female college athlete who overcomes adversity to excel in her sport. Oklahoma State women's basketball was the inaugural recipient of the "Together We R" Team Award in 2012, recognizing programs that have strived to succeed in the face of adversity. Following a devastating tornado south of Oklahoma City just before the Big 12 Baseball Championship in 2013, several league baseball teams along with other student-athletes, coaches and former Conference players contributed help in a variety of ways. Plus, the Conference contributed \$200,000 to the relief efforts. In the fall of 2014, Oklahoma football student-athlete Sterling Shepard and head coach Bob Stoops were honored with the Disney Sports Spirit Award while Kansas football student-athlete JaCorey Shepherd received the Lee Roy Selmon Community Spirit Award. Ty Darlington (Oklahoma) earned the 2015 Wuerffel Trophy which recognizes community service along with athletic and academic success.

The Conference office is headquartered in Irving, Texas.

2019-20 Season In Review

The Cowgirls were one of the top teams in the country once again a year ago, but the COVID-19 global pandemic caused the season to be canceled in March.

2019-20 EQUESTRIAN SEASON REVIEW

Oklahoma State Equestrian had a shortened 2019-2020 season as a result of the COVID-19 pandemic. The Cowgirls recorded 9 wins before the cancellation of the remaining events.

The squad boasted two All-Americans: Harley Huff and Emma Verplank.

The Cowgirls started the season ranked No. 4 in the NCEA Poll.

The top-ranked Auburn Tigers were the Cowgirls first opponent of the season. OSU fell to the Tiges in a 12-8 decision.

In their first home meet of the season, the Cowgirls defeated SDSU 13-7.

OSU had back to back home meets, facing Big 12 opponent Baylor. The Cowgirls soundly defeated the Bears 11-5, and recording the top scores in all four events.

The Cowgirls hit the road and travelled to California for a meet against Fresno State. The third ranked Cowgirls fell to the ninth ranked Bulldogs 14-5.

Despite the loss, Abigail Brayman earned Big 12 Rider of the Month honors for her outstanding performances in the Flat during the month of October.

The Cowgirls defeated No 6 TCU on the road. The Horned Frogs led 4-1 halfway through the meet. OSU rallied in the second half of the meet, sweeping Horsemanship and winning 10-9.

In the final event of the fall season, OSU hosted No. 4 South Carolina. The Cowgirls took the first event 4-1 and Harley Huff took home her third MOP of the season. After struggling in the next two events, the Cowgirls took back the momentum in the final event. OSU won the meet 12-7 beginning the spring season ranked No. 2.

Kicking off the spring season, the Cowgirls travelled to Dallas to compete against the No. 8 SMU Mustangs. The Cowgirls took the Flat and tied in Horsemanship. OSU struggled in the second half of the meet and ultimately came up short, falling 13-5.

The Cowgirls returned to Dallas to face Big 12 opponent, the sixth ranked Horned Frogs of TCU. OSU carried momentum throughout the event, dominating early in Fences and

Horsemanship. The Cowgirls closed out the meet by taking Reining. Hannah Mitchell recieved MOP honors for the third time this season. Molly Mitchell picked up a career-high score of 70.

OSU once again returned to Texas to face the eighth ranked Texas A&M Aggies. The Cowgirls dropped the first event of the meet, but picked up momentum in the second half of the meet. After dominating in the final event of the meet the Cowgirls picked up a 10-7 win over the Aggies.

After the wins over SMU and Texas A&M, Harley Huff earned Big 12 Rider of the Month honors for the month of February.

OSU returned to the road for the third straight week to face Big 12 opponent, the Baylor Bears. The Cowgirls tied the first event and won the second and after falling the the Bears in the Flat, clinched the win by taking Horsemanship. The win improved the Cowgirls to 9-3 on the season and 4-1 in the Big 12.

Brayman and Huff were honored with NCEA March Rider of the Month awards.

The remainder of the 2019-20 season was cancelled as a result of the COVID-19 pandemic.

Huff was named Big 12 Rider of the Year for Horsemanship and was also named to the All-Big 12 Team. Brayman, Verplank and Mitchell joined her on the All-Big 12 team.

EQUESTRIAN HISTORY

In 1998 the NCAA declared equestrian as an emerging sport. As of September of 2007, there are nineteen (19) Division I and four (4) Division II colleges and universities who participate at the varsity level with new programs being added every year. The average size of current women's equestrian teams is 46 with a range from 20 to 100 athletes.

From the Kentucky Derby, to the Olympics, to the Varsity Equestrian National Championship, equestrian sports are already in the American spotlight. Major national, satellite, and cable corporations already host the sport of equestrian. You can watch horses on NBC, ESPN, Outdoor Life Network, TVG, and College Sports TV to name a few. There are already weekly programs dedicated to the horse, one of which, the American Quarter Horse Association's "America's Horse" televises the Varsity Equestrian National Championship, the precursor to the NCAA Championship. To assist in promotion of Varsity Equestrian and to provide a media outlet for disbursement of the current news regarding equestrian, we are proud to announce the development of www.varsityequestrian.com, 'The Official Web site of NCAA Varsity Equestrian'. Lastly, there are roughly 250 magazines, newspapers and newsletters devoted to horses; many of which already cover collegiate equestrian.

In previous years, all collegiate equestrian competitions were conducted under the auspices of the Intercollegiate Horse Show Association (IHSA). Since its inaugural year in 2000, Varsity Equestrian has implemented a dual-meet format in competitions. Teams compete in four events: Hunter Seat Equitation Over Fences, Hunter Seat Equitation on the Flat, Western Horsemanship, and Reining. An equal number of riders from each team compete head-to-head on each event on the same set of horses. The lowest score is dropped before computing the team score.

POST-SEASON COMPETITION

The Varsity Equestrian National Championships has become an annual competition since 2002. This competition will become the NCAA Championship. There are three titles at stake each year: the Overall Team Championship, the Hunt Seat Team Championship, and the Western Team Championship.

GOVERNANCE OF THE SPORT

Varsity Equestrian Steering Committee:

The heart of any organization is its people. Besides the outstanding athletes, Equestrian is fortunate to have coaches who give of their time to serve as leaders for the sport. Teamed with athletic administrators, these coaches comprise the Varsity Equestrian Steering Committee. The committee's charge is to develop procedures, legislation, and advance the sport via promotion and corporate sponsors. An annual meeting of the entire steering committee is held annually at the USEF Headquarters in Lexington, Kentucky.

United State Equestrian Federation (USEF):

As the National Governing Body for equestrian sport in the United States and of Varsity Equestrian, USEF shares the sport with the world while advocating fairness, excellence and equine welfare in all aspects of horsemanship and competition. USEF sends athletes and teams of the highest caliber to represent our country at home and abroad. Through more than 2,800 recognized competitions in 27 breeds and disciplines, and with 86,000 members USEF continues to grow and acknowledge equestrian athletes at every level. Learn more about USEF at www.usef.org.

American Quarter Horse Association (AQHA):

With more than 350,000 worldwide members and 4.5 million registered American Quarter Horses in 80 different countries, the American Quarter Horse Association is the world's largest equine association and a strong supporter of Varsity Equestrian. AQHA offers diverse programs for all types and levels of horse owners, from competitive to recreation. Annually, AQHA approves around 2,900 horse shows and special events that culminate at three different World Championships: the AQHA Youth World Show, the AQHA Open/Amateur World Show and the AQHA Select World Show. In all, over 927,000 entries compete year-round at the AQHA approved shows. Visit www.aqha.com for more information.

The Varsity Equestrian Steering Committee is working diligently to advance equestrian from emerging to full championship status. The horse industry stands firmly behind the sport and is working hand-in-hand to lay a solid foundation on which the sport can continue to grow and expand.

EQUESTRIAN HISTORY

In hunt seat equitation and horsemanship events, it is the rider and not the horse that is being judged. The actions of the horse are important only as they reflect on the horsemanship of the rider. Thus it is possible for a rider whose horse “acts up” to be placed among the winners because in the judges’ opinion she met the problem skillfully and solved it. Conversely, a seemingly good ride may mean nothing more than a placed horse carrying an unwitting passenger. The rider is always being judged in horsemanship classes, whether the class calls for jumping or whether it is run “on the flat” without jumps.

Judging equitation classes is not done by a mathematical formula. Judges are usually looking for style of riding, accuracy and judgment in the use of the aids (hands, seat and legs), suppleness and lightness of hands and a general impression of complete, quiet control. The program description of equitation classes makes reference to tests for riders in the different classes. This refers to the test of horsemanship that has been established by the American Horse Shows Association for all recognized shows and is published in the annual rulebook. Equitation judges must choose from these individual tests in judging horsemanship. The common criteria are:

Posture:

The position of the body, the legs, the hands, the head and eyes are all indicators of good horsemanship. The rider’s back should be straight, chest out, head and eyes ahead in an alert, relaxed position. The appearance of the rider should give the impression of alert buoyancy. The movements of her body should be those that derive naturally from the horse’s movements. Correct posture at all gaits and in all movements is a basic element that judges look for in horsemanship.

Hands:

A rider’s hands should keep a light but certain contact with the mouth of the horse. Reins should be on a straight line from the horse’s mouth to the rider’s elbow.

Wrong lead:

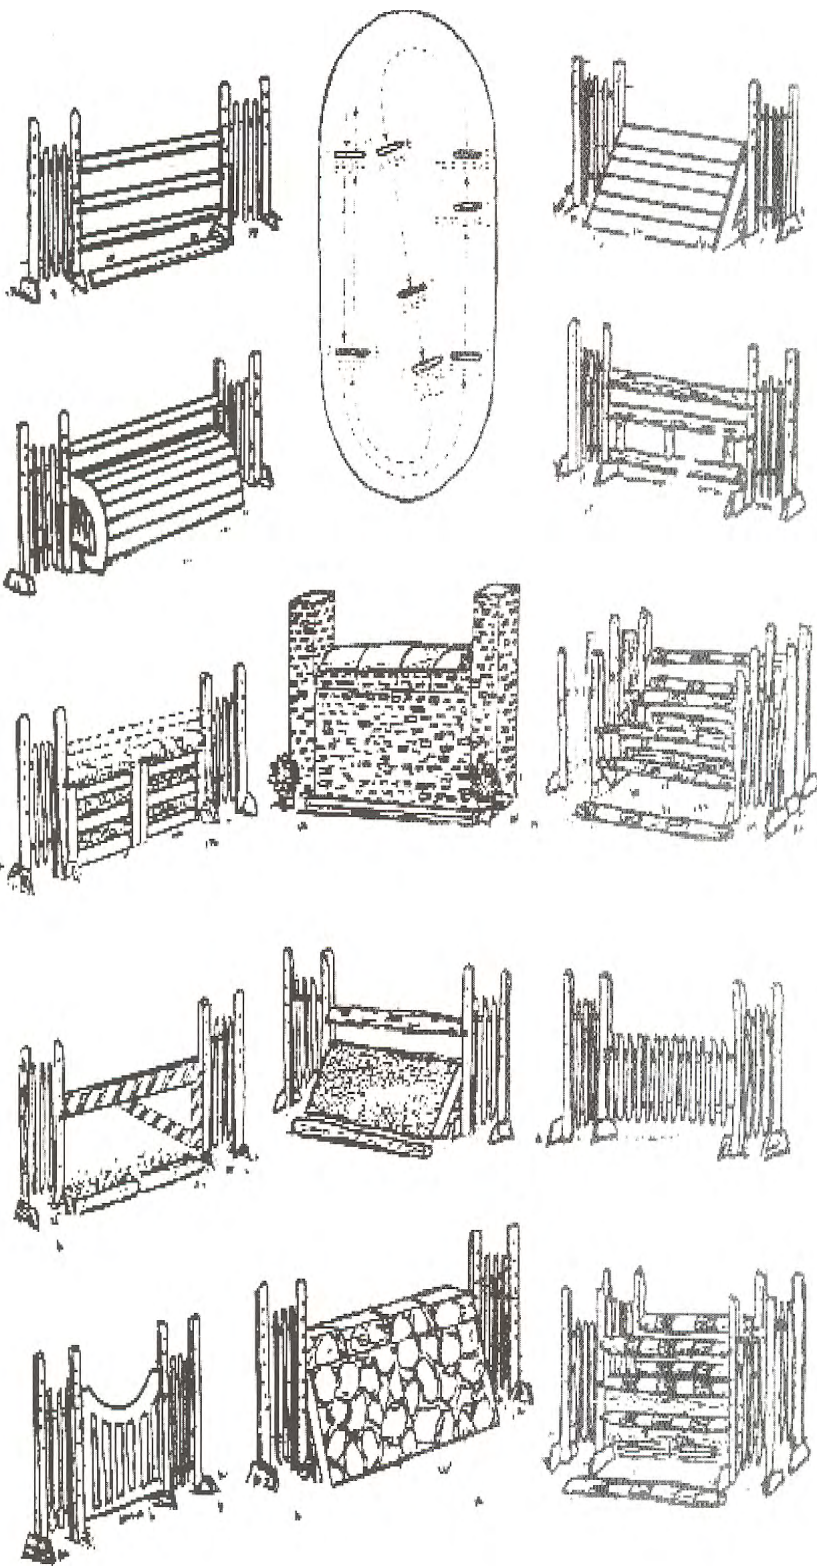

In a canter, the horse leading with the wrong leg is “on the wrong lead”. Moving clockwise a horse should be leading with his right front leg. Moving counterclockwise, he should lead with the left.

Legs:

Heels should be down. No excessive weight should be carried on the stirrup irons. Legs should be quiet under the rider at all times.

Diagonals:

This fault may appear while a rider is posting (rising and sinking back in the saddle in rhythm with the horse’s trot) at the trot. The rider’s movement in posting should be impelled by the forward movement of the horse’s inside rear leg; that is, the rear leg that is closest to the center of the ring.

THE UNDERSTAN

Oklahoma State University

The story of Oklahoma State University began on Christmas Eve, 1890, at the McKennon Opera House in Oklahoma's territorial capital of Guthrie when Territorial Governor George W. Steele signed legislation establishing an Oklahoma Agricultural and Mechanical College (OAMC) in Payne County. OAMC's first students assembled for class on December 14, 1891, even though there were no buildings, no books, and no curriculum. The college's first students attended classes in the Stillwater Congregational Church. The original campus consisted of 200 acres of prairie that were donated by four local homesteaders. The

college's first six graduates received their diplomas in 1896.

Visitors to the OSU campus often marvel at its beauty and consistency of architecture. Much of the credit goes to legendary president, Henry G. Bennett, who served from 1928-1951. Dr. Bennett's 25-year campus master plan envisioned some of the university's most famous and beautiful structures, including the Edmon Low Library and the OSU Student Union. Under the direction of OSU President Burns Hargis, a new campus master plan is guiding unprecedented construction that

is making OSU more competitive in academics and athletics. Starting in the fall of 2008, OSU has opened the Multimodal Transportation Terminal, the North Classroom Building, the west end zone of Boone Pickens Stadium, refurbished Old Central, the Donald W. Reynolds Architecture Building, an upgraded Murray Hall, the Henry Bellmon Research Center, an updated and expanded Student Union, the Greenwood Tennis Center, the north wing to the College of Human Sciences building, an upgraded Atherton Hotel in the Student Union, the innovative University Commons residential complex and dining facility,

the crescent-shaped business building, and the world-class ENDEAVOR facility for interdisciplinary research. In October 2019, OSU opened the magnificent McKnight Center for the Performing Arts with the New York Philharmonic. The next major facility opening will be the top-tier O'Brate Stadium for baseball. Hall of Fame Avenue on the north and University Avenue on the south, as well as core north-south artery Monroe Street, have all been significantly upgraded, and the university continues to update its campus landscape plan, including the addition of a Welcome Plaza south-east of the Student Union.

OSU grew quite rapidly following World War II. The post-war years were marked by a huge enrollment surge and the thriving "Veteran's Village" on the northwest edge of campus as veterans and their families moved into surplus military housing provided by the college. The mid-1940s also were a golden era for athletics at Oklahoma A&M. In a 90-day period in early 1945, OAMC teams won the Cotton Bowl, the NCAA championship in wrestling, and the NCAA championship in basketball. In 2016, the undefeated 1945 football team was retroactively awarded the national championship trophy by the American Football Coaches Association. In 1946, the wrestling and basketball teams repeated as national champions, and the football team won the Sugar Bowl.

Coaches and players from that era are now sports legends. Coach Henry Iba set a national standard in basketball and Edward Gallagher took OAMC wrestling teams to international prominence.

People often ask when OSU made the transition from college to university. By the 1950s the college had grown substantially and in 1957 OAMC became The Oklahoma State University for Agriculture and Applied Science. During the next three decades, OSU would build academic programs to match its new status. Enrollment more than doubled from 10,385 in 1957 to more than 23,000 in the 1980s. OSU became a statewide university system, adding branches in Okmulgee in 1946 and Oklahoma City in 1961. OSU merged with the Oklahoma College of Osteopathic Medicine in 1988, and OSU-Tulsa was born in 1999.

Today, OSU has 35,000 students across five campuses and a presence in every Oklahoma county through its extension offices and experiment stations. From six graduates in 1896, to 5,000 annually today, the small college on the prairie has grown and prospered far beyond the dreams of its founders. OSU teaching, research and graduates are making a bigger impact on the lives of people around the world than ever before. It's a great time to be a Cowboy!

Oklahoma State University, in compliance with Title VI and VII of the Civil Rights Act of 1964, Executive Order 11246 as amended, and Title IX of the Education Amendments of 1972 (Higher Education Act), the Americans with Disabilities Act of 1990, and other federal and state laws and regulations, does not discriminate on the basis of age, race, color, religion, sex, sexual orientation, genetic information, gender identity or expression, national origin, disability, protected veteran status, or other protected category, in any of its policies, practices or procedures. This provision includes, but is not limited to admissions, employment, financial aid, and educational services. OSU is a VEVRAA Federal Contractor and desires priority referrals of protected veterans for its openings. OSU will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. However, employees who have access to the compensation information of other employees or applicants as a part of their essential job functions cannot disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) in response to a formal complaint or charge, (b) in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or (c) consistent with the contractor's legal duty to furnish information. The Director of Equal Opportunity, 408 Whitehurst, OSU, Stillwater, OK 74078-1035; Phone 405-744-5371; email: eeo@okstate.edu has been designated to handle inquiries regarding non-discrimination policies: Director of Equal Opportunity. Any person (student, faculty, or staff) who believes that discriminatory practices have been engaged in based on gender may discuss his or her concerns and file informal or formal complaints of possible violations of Title IX with OSU's Title IX Coordinator 405-744-9154." University President Burns Hargis

Burns Hargis

*University President
13th Year*

Burns Hargis was named the 18th President of Oklahoma State University and the OSU System in December 2007 and took office March 10, 2008. Hargis oversees one of the nation's most comprehensive land-grant university systems with more than 35,000 students, 7,000 employees, and campuses located in Stillwater, Tulsa, Oklahoma City and Okmulgee.

As president, Hargis has enthusiastically united the broad OSU community of students, employees, alumni and donors behind his bold vision of a modern land-grant university that cuts across disciplines to better prepare students for success. The results have been historic.

He has guided OSU to record enrollment and record fundraising, with pledges and cash surpassing the \$1 billion Branding Success campaign goal nearly two years ahead of schedule. In total, OSU has raised more than \$2 billion in private support

and added more than 81,000 new donors during Hargis' time as president.

OSU's giving has focused on student scholarships, faculty and other vital resources and programs. Hargis also is overseeing a construction boom that is transforming the OSU campus to be more competitive in academics and athletics. Most recently, the crescent-shaped business building and spectacular McKnight Center for the Performing Arts are new campus icons. Guided by Hargis' vision, the OSU campus has never looked more beautiful.

Hargis and his wife, First Cowgirl Ann, are active across campus, interacting regularly with OSU's diverse student body. Strong proponents of wellness, they have led OSU's initiative as America's Healthiest Campus. They also have taken OSU's story of success to alumni around the world.

He is past chairman of the Big 12 Conference Board of Directors and represents the conference as a member of the NCAA Division I Board of Directors and the NCAA Board of Governors.

Before being named OSU President, Hargis had a long and distinguished legal and business career, with active civic and philanthropic leadership across many fronts. He also is familiar to many Oklahomans through the political perspective and wit he provided on the award-winning television program "Flashpoint".

Prior to coming to OSU, he was Vice Chairman of Bank of Oklahoma, N.A. Before joining Bank of Oklahoma in 1997, Hargis practiced law in Oklahoma City for 28 years, most recently with the firm of McAfee & Taft. He is a former president of the Oklahoma County Bar Association, former president of the Oklahoma Bar Foundation, and is a Fellow of the American Bar Foundation.

Hargis served as vice-chairman of the Oklahoma State Election Board, the Oklahoma Constitutional Revision Commission, and served as Chairman of the Oklahoma Commission for Human Services. Hargis was a candidate for the Republican nomination for Governor of Oklahoma in 1990.

A firm believer in the power of imagination and collaboration, Hargis was the first chair of the Oklahoma Creativity Project. He has served and chaired many boards, including the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges of Oklahoma State University.

Hargis received the state's highest honor when he was inducted into the Oklahoma Hall of Fame in 2009. Hargis and his wife, Ann, have two children and three grandchildren.

Athletic Director Mike Holder

Mike Holder

Athletics Director
16th Year | Oklahoma State, 1970

Mike Holder won eight NCAA team titles as head men's golf coach at Oklahoma State from 1973-2005, but what he's done for his alma mater while serving as athletic director since then is perhaps even more remarkable, especially in the realm of facilities and fundraising.

Facilities

When Holder took over as athletic director on September 16, 2005, he set out an audacious facilities master plan that has produced perhaps the most impressive collection of facilities in America.

The facilities renaissance was actually set into motion during Holder's coaching days when he was a central figure in bringing Karsten Creek Golf Course into existence. The home of Cowboy and Cowgirl golf is widely recognized among the very best public courses in the nation and hosted the NCAA Championships in 2003, 2011 and 2018, along with several men's and women's NCAA regionals.

Holder's first major facilities move as athletic director came with a total overhaul of Boone Pickens Stadium that was completed in 2009. With Holder serving as athletic director, both the north and the west sides of the stadium were brought to their current form and the stadium is now recognized as one of the finest in college football.

Built from the ground up during Holder's tenure as athletic director are the Sherman Smith Indoor Training Center, the Michael and Anne Greenwood Tennis Center, Neal Patterson Stadium and O'Brate Stadium. Each of those facilities ranks among the elite within their respective sports.

Opened in 2013, the 94,000-square foot Sherman Smith Center is the primary practice home for Cowboy football, but serves nearly every OSU team. The Greenwood Tennis Center was recognized by the USTA as the nation's top facility in 2016 and was selected to host the 2020 NCAA Championships. Neal Patterson Stadium opened in 2018 and is a showcase for Cowgirl soccer.

Set to open in 2021, O'Brate Stadium may very well be the best college baseball-only facility in the country. It features 3,500 permanent seats, 11 suites and 400 premium seats in dedicated club and suite areas. It has state-of-the-art accommodations for the team as well.

Fundraising

Any discussion about fundraising at Oklahoma State must start with Holder's close friend, Boone Pickens, who gave more than \$600 million to his alma mater. Holder's vision for athletic facilities inspired Pickens to give \$165 million toward the project in 2006, marking the largest donation in the history of college athletics.

At Holder's urging, OSU Athletics has placed an emphasis on scholarship endowments. The "Leave A Legacy" endowment drive has seen Oklahoma State climb from dead last in the Big 12 to the top with gifts and commitments of approximately \$61 million. As recently as 2009, OSU's endowment stood at just \$2.1 million.

Perhaps Holder's adept fundraising stems from his "fund-giving". He and his wife, Robbie, illustrated their commitment to Oklahoma State when they donated \$500,000 for the first fully endowed scholarship for Cowboy football. The scholarship is named for former OSU player, the late Vernon Grant. The Holders' lifetime giving to OSU surpasses \$2.5 million, including \$1 million for an entrepreneurship super chair at OSU in the Spears School of Business.

"Robbie and I made the gift to the college of business because of (OSU donors) Malone and Amy Mitchell," Holder said at the announcement. "Having two degrees in business was the icing on the cake. I would like to see the new program nationally recognized and make a difference in the lives of young people."

Malone and Amy Mitchell had made a \$57.2 million gift to OSU, split evenly between athletics and academics, on the day the Holders announced their \$1 million gift.

Success in Competition

Oklahoma State has won six NCAA team titles under Holder's watch and entering the 2020-21 academic year, 11 different OSU programs have combined to win 55 conference titles with Holder in the athletic director's chair. Locally, OSU has won the all-sports Bedlam Series over in-state rival Oklahoma in six of the past seven years.

Holder has presided over the best sustained era in Cowboy football history. The Pokes won the Big 12 Conference title outright in 2011 and have appeared in 14 straight bowl games, with four appearances in New Year's Six contests since 2010. In that same time span, the Cowboys have averaged 9.3 wins per season and rank 12th nationally with 93 wins.

Background in Golf

During his tenure as OSU men's golf coach, Holder's successes included not only his team's results on the course, but his players' performances in the classroom and beyond.

In 2000, Holder's Cowboy golf team claimed the national championship, marking the eighth time his squad carried home the NCAA trophy. And while high national finishes are the norm at Oklahoma State, the accomplishments of his teams never stopped at the 18th hole.

Holder took over his OSU coaching post on July 1, 1973, and during his tenure, his teams set student-athlete standards that were unequaled. While he coached 112 All-America selections, including 38 first-team choices, and has numer-

ous former players competing on the PGA Tour, overseas and on mini-tours, Holder saw to it that his players also excelled in the classroom. During his tenure, OSU produced three Ben Hogan Award winners, which was based on academic and athletic excellence nationwide. Kevin Wentworth earned the honor in 1990, Trip Kuehne claimed the prestigious award in 1995 and Hunter Mahan was named the 2003 recipient. Kuehne was OSU's outstanding male graduate in 1995 as well.

Holder is one of five coaches in NCAA history, regardless of sport, to win a national championship in four different decades. Three times Holder coached the Cowboys to the national team title the same year an OSU individual also claimed medalist honors (1978, 1987 and 2000). Along the way, he claimed 25 conference championships. His 21 Big Eight championships were the second most by a head coach in any sport, trailing only Kansas basketball coach Phog Allen.

As a student-athlete, Holder was the 1970 Big Eight medalist and led OSU to the conference team title. He was a third-team All-American as a junior and a senior and an honorable mention All-American as a sophomore.

Personal

A graduate of Ardmore HS, Holder earned his degree in marketing from Oklahoma State in 1970 and completed work on his MBA at OSU in 1973. His wife, Robbie, graduated as salutatorian from Jasper High School in 1966, and attended the University of Houston where they met at the All-American Intercollegiate golf tournament in 1968.

Very few athletic departments produce the kind of consistent success found at Oklahoma State. OSU boasts NCAA team championships in five different sports – wrestling (34 titles), men's golf (11 titles), men's cross country (four titles), men's basketball (two titles) and baseball (one title). Additionally, OSU football and equestrian have been recognized as national champions by other organizations, with football honored as the American Football Coaches Association national champion in 1945 and equestrian winning four team national titles as recognized by the National Collegiate Equestrian Association.

OSU has won 52 NCAA team championships - a mark that ranks fourth among all Division I schools. That same success translates on the conference level, where Oklahoma State has amassed 317 team conference championships entering the 2020-21 academic year. A team-by-team look at OSU athletics:

Mr. T. Boone Pickens

“Mr. Pickens is a big part of our success and we’re all thankful for the lasting impact he’s had on Oklahoma State, both athletically and academically. It would have been difficult for us to climb as high as we have without him. You’d be hard-pressed to find anyone who has had a greater impact on a university than Mr. Pickens has had at Oklahoma State. He’ll be missed, but his legacy here will live on for a long time to come.”

**- OSU Football Coach
Mike Gundy**

A legendary energy executive and one of America’s best-known entrepreneurs, there will never be another like T. Boone Pickens.

The namesake of Oklahoma State’s football stadium and School of Geology, Pickens passed away in 2019 at the age of 91, but left a legacy that is unmatched.

During the span of his long career, he created thousands of jobs and made billions of dollars—for others as well as himself—and he wasn’t timid about spreading it around. “I like making money. I like giving it away.... not as much as I like making it, but it’s a close second,” he often said.

The breadth of his philanthropy—which approached \$1 billion—included health and medical research, treatment and services; entrepreneurship; kids at risk; education and athletics, with a particular focus on his alma mater, Oklahoma State; corporate health and fitness; and conservation and wildlife management.

In many ways, Pickens was a record-setting philanthropist. His \$165 million gift to OSU in 2005 was the single largest gift for athletics in NCAA history, and the \$7 million donation to the American Red Cross in 2005 was the largest individual contribution in the 150-year history of that

organization. His unprecedented giving to OSU athletics triggered a renaissance in the Cowboy football program and was a key factor in its first Big 12 championship in 2011 and its first BCS Bowl win in the Fiesta Bowl matchup with Stanford in 2012.

On May 21, 2008, Pickens gave \$100 million for the endowment of major faculty chairs and professorships at Oklahoma State. The OSU School of Geology already bears his name from previous gifts to OSU.

Over the years, Pickens donated close to \$600 million to Oklahoma State, split virtually equally between athletics and academics. Backed by the record donation in 2005, Pickens and OSU athletic director Mike Holder set into motion the acquisition of land that has produced OSU’s sparkling Athletic Village, which now includes the

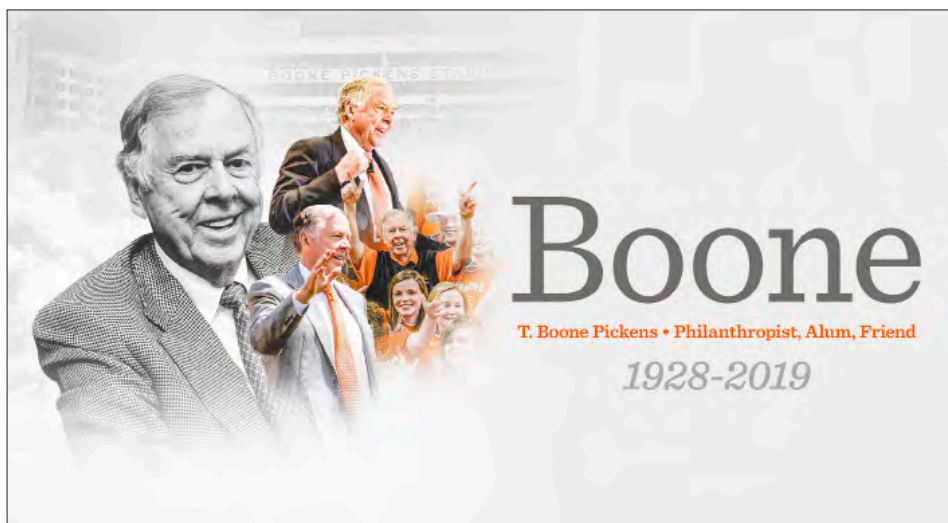

Sherman Smith Training Center, the Michael and Anne Greenwood Tennis Center, O’Brate Stadium and OSU’s track and field facility.

In 2010, OSU launched its campus-wide “Branding Success” campaign and T. Boone Pickens again led the charge with yet another \$120 million gift to his alma mater.

A hall-of-famer in both Oklahoma and Texas, Pickens was a world leader on the energy front with the launching of the Pickens Plan, a unique private sector initiative formed to address the economic and national security threats posed by America’s reliance on OPEC oil.

A presence at every Oklahoma State home football game for years, Pickens was a true Cowboy legend.

“He was just an old country boy from Holdenville, Oklahoma, but he could think his way around any Noble Prize winner. Boone was a legend, a change agent, a life force that rarely comes along.”
- OSU President Burns Hargis

The Big 12 Conference

The Big 12 celebrates its 25th anniversary in 2020-21 as one of the nation's premier athletic conferences under the direction of ninth-year commissioner Bob Bowlsby.

TCU and West Virginia joined the league on July 1, 2012 and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 remains as the only autonomy conference to determine its champions in all sports directly on the field of play with a full round-robin schedule. The Conference's hard work ethic and strong values have translated to enormous success in its first 22 years. Since it began competition in 1996-97, the league can boast of 63 NCAA team titles and 689 individual national championships.

The Big 12 has been at the forefront in college athletics reform, specifically with student-athlete welfare issues to include cost of attendance, student-athlete time demands and strengthening its policy for concussion diagnosis and management. In 2014-15, the Big 12 introduced and hosted three "State of Collegiate Athletics" forums to examine the issues facing college athletics. Two were conducted in Washington, D.C and one in New York City. Panelists included respected authorities from intercollegiate athletics, university leadership and sports journalism. The third forum featured a special session comprised of student-athletes. The Big 12 continued the "State of Collegiate Athletics" forums with Dallas serving as the host site for three events and one staged in Atlanta.

The award-winning Big 12 Champions for Life, an initiative of the Conference, begins its sixth year in 2020-21. It features student-athletes, selected by league institutions, in a series of public service announcements highlighting the positive impact an athletics scholarship has had on their lives leading to stories of personal growth and success.

The Big 12 was the only conference to place a team in the Final Four and CFP semifinals in both 2017-18 and 2018-19. Texas Tech played in the 2019 national championship game while Kansas competed in the 2018 Final Four. Oklahoma was in the CFP semifinals in both seasons, and again in 2019. Additionally, the Big 12 was the lone conference that had teams play in the 2019 men's (Texas Tech) and women's (Baylor) Final Fours,

and the NIT (Texas, TCU) and WNIT (TCU) semifinals. Baylor won the women's basketball national title while Texas was the NIT champion. The Big 12 also claimed both of the Associated Press basketball coaches of the year as Kim Mulkey (Baylor) captured the women's

award while Chris Beard (Texas Tech) picked up the men's honor.

In addition to Baylor's women's basketball crown, national championships were won by Texas Tech men's outdoor track & field, Texas men's tennis and Oklahoma women's gymnastics while Iowa State claimed the National Invitation Volleyball Tournament. NCAA runner-up finishes besides Texas Tech men's basketball included UT men's swimming & diving and men's golf along with OU softball.

The Big 12 placed 60% of its teams in 2019 bowl games with two in CFP New Year's bowls. No. 4 Oklahoma competed in the CFP Semifinal at the Chick-fil-A Peach Bowl while Baylor played in the Allstate Sugar Bowl. The Big 12 has made 10 appearances in a CFP News Year's Bowl in the six years of the structure, including OU and BU in 2019. The Sooners made their third-straight CFP semifinal appearance and fourth in five years. Also in the fall of 2019, Iowa State's Edwin Kurgat won the NCAA Men's Cross Country individual championship while Baylor volleyball advanced to the NCAA semifinals. Oklahoma quarterback Jalen Hurts was the runner-up for the Heisman Trophy, giving the Big 12 a finalist in 16 of its seasons for a total of 21 with two finalists in five seasons. The Conference has seven Heisman winners, including former OU signal callers Kyler Murray in 2018 and Baker Mayfield in 2017. Thirty-nine major individual awards have been won by Big 12 student-athletes in football over the past 10 campaigns. Overall, more than 4,800 student-athletes have earned All-America recognition.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Ty Darlington (Oklahoma) was the recipient of the 2015 William V. Campbell Trophy, known as the Academic Heisman. Jimmy Bendeck (Baylor) was presented the NCAA Today's Top 10 Award in January 2020. It recognizes former student-athletes for their successes on the fields and courts, in the classroom and in the

community. Since 1996, the Big 12 has a total of 13 honorees for this prestigious award. In the last nine seasons, 20 student-athletes were recipients of the NCAA Elite 90 Award with Baylor's Lauren Cox (women's basketball) and Colin Kober (men's golf), Oklahoma State's Sofia Blanco (women's tennis), Texas' Johnny Goodwin (men's tennis), and Texas Tech's Davide Moretti (men's basketball) and Braxton Fulford (baseball), picking up the most recent honors in 2018-19. The accolade showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has over 700 Academic All-America recipients, averaging about 20 each season. Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Fifteen times in the past 16 years a league athlete has garnered the top academic honor for their respective sport, including Bianca St. Georges (West Virginia) for soccer in 2018-19 and Brittany Brewer (Texas Tech) for women's basketball in 2019-20.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 461 scholars have received over \$3.5 million in postgraduate financial aid through the first 24 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 38 million people. Nearly 5,000 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference currently conducts postseason championships for 22 of its 23 sports with the Football Championship Game returning in 2017 after a six-year absence. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition.

The Conference office is headquartered in Irving, Texas.

The Cowboy Trail

Dating back to the 1890s, Oklahoma A&M sports teams had been referred to as Agriculturists or Aggies, the Farmers, and officially but unpopularly, the Tigers. But by 1924, Charles Saulsberry, sports editor of the *Oklahoma City Times*, and other writers who regularly covered college events, had begun to refer to Stillwater's teams as the A&M Cowboys. Reporters' constant search of colorful synonyms started sprinkling Cowpokes, Pokes, Waddies, Cowpunchers and Punchers in conversation. "Cowboys" had a Southwestern flavor and flair that fit like a favorite pair of boots.

The Athletic Council authorized athletics director Edward C. Gallagher to have 2,000 balloons printed, "Oklahoma Aggies—Ride 'Em Cowboy" for sale at football games in 1926.

Pistol Pete

(excerpt from text written by Lance Millis)

Around 1923, when Oklahoma A&M College was searching for a new mascot to replace its tiger (copied along with the school's orange and black colors, from university founders who hailed from Princeton), a group of students saw Frank Eaton leading the Armistice Day Parade. He was approached to see if he would be interested in being the model for the new mascot, and he agreed. A likeness was drawn and began to be used on sweatshirts, stickers, etc., and a tradition was born.

That caricature was the basis for what is used today as the official Oklahoma State University mascot. For 35 years, the crusty old cowboy was a living symbol of OSU, representing the colorful past of the area. As such, he would attend OSU athletic events, building dedications, etc., and sign autographs, pose for photographs and reminisce about the Old West with anyone who would listen.

To this day, his likeness is a visible reminder of the Old West to literally millions of people yearly as a symbol of colleges whose mascots pay homage to the cowboy. Each year, OSU students tryout for

Frank Eaton - the original Pistol Pete

Pistol Pete. A panel of former "Petes" judge the tryouts and select the two best candidates based on an interview, a mime, and posing as mascot in different "game situations." The two who are selected split the approximately 500 appearances annually. These appearances include all athletic events, pep rallies, business openings, weddings, birthday parties, and public school events.

Frank Eaton - Before Pistol Pete

"My boy, may an old man's curse rest upon you, if you do not try to avenge your father... You must never stop until they are all accounted for!" These words, according to one of Eaton's many stories, were spoken by a family friend following the brutal murder of his father, and guided the formative years of Frank's life.

Born in 1860, in Hartford, Connecticut, Frank moved with his family to Kansas shortly after the close of the Civil War. When Frank was eight years old, his father, a former Union soldier, was shot and killed by a group of lawless former Confederates. Frank was a witness to the murder and each of the murderers' faces was imprinted in his memory.

After being challenged to avenge his father's death by Mose Beaman, (the family friend), Frank set out to learn how to handle guns. Mose gave

him a gun and holster, and taught him how to handle and shoot guns. Frank quickly learned to "shoot a snake's head off with either hand". During the next few years, Frank's days were spent helping his mother with chores and practicing shooting. With each passing year, he became faster and more accurate with his guns.

When Frank was 15,

he learned of the location of one of his father's killers. After deciding it was almost time to set out on his mission, Frank wanted to make sure his shooting skills were good enough. He decided to visit Fort Gibson, a cavalry fort, to try to learn more about handling a gun. There he competed with the cavalry's best marksmen, beating them each time. After many competitions, the fort's commanding officer, Colonel Copinger gave Frank a marksmanship badge and a new name. From that day forward, Frank would be known as Pistol Pete.

Bullet

The Oklahoma State University Cowboys have many symbols of their western heritage, but none is more appropriate than their mascot, Bullet. The Spirit Rider program debuted in 1984 with the first few Spirit Riders providing their own horse to serve as mascot for the OSU Cowboys.

However, in 1988, Stars Parr Money was donated to the OSU Athletic Department to be used specifically as the mascot. Since that time, Bullet has delighted crowds with his traditional sprint across the football field following every Cowboy touchdown. The heart of the Cowboy Spirit Rider Program, Bullet is not only seen at Boone Pickens Stadium and other OSU football games, he's made appearances at local elementary schools, parades, rodeos and other special events, including the opening ceremonies of the Oklahoma State Special Olympics.

The tradition of the Spirit Rider can be attributed to the late Eddy Finley, who wanted to promote school spirit the "cowboy way," on horseback. Since that time, additional support has come for the Spirit Rider and Bullet, much of it due to Finley's hard work. A horse trailer, custom-tooled saddle and uniform dress for the Spirit Rider and ground crew have been donated to OSU. In honor of the Spirit Rider and its tradition, Jim Hamilton sculpted the Spirit Rider bronze statue that sits just south of the Greenwood Tennis Center.

Bullet is a regular part of the Cowboy football game day experience.
